SCULPTURAL + FUNCTIONAL ART

VAISHNAVI WALVEKAR

FOR VHC GALLERY . SELECTION PROCESS

## NOTE FOR MS VIDA HYDERI & TEAM

The work I have shared is to show you in smaller forms of what I practice, and the newest work that involved Fabric over Papier Mache. The fabric ('Manjarpat') is native to Maharashtra and I deemed it fit for showcasing in VHC under the Pune born artists show.

I am keen on creating newer works just for the show where I am keen in larger sculptures in Kashmiri Papier-Mache (similar to the blue small loop sent to you) and wall arts that can have pasted fabric work (such as the second loop and the vase).

For preserving the fabric art, I propose a glass encasing which I will provide.

I look forward to your thoughts on the above.
